

Is there a Doctor* in the House?

*Primary Care Providers, Physicians, Physician's Assistants, Nurse Practitioners, Dentists

North Dallas Shared Ministries – the charitable outreach of your congregation – needs you to staff the 8 clinics we operate each week that serve the less fortunate here in our community.

We provide the facility, non-medical staff and malpractice insurance.

We are **FLEXIBLE!** We can work with **YOUR SCHEDULE.**

If you can donate 2-4 hours, once a month (or more), please contact Nancy Volk:

Email – clinicaldirector@ndsm.org or Call – 214 358-8720

Our medical mission here at home might lack the allure of one halfway around the world, but our needs are great and ongoing, and our gratitude heartfelt.

Thank you!
